NOTICE

CASE OPENING AND ELECTRONIC CASE FILES (ECF) TRAINING SCHEDULE OF CLASSES FOR SEPTEMBER TO DECEMBER 2006 IN NEW YORK, NY

The U.S. Court of International Trade has scheduled training classes in New York, NY, on the new Case Opening feature and the Electronic Case Files (ECF) portion of the Case Management/Electronic Case Files (CM/ECF) System. The Case Opening classes will focus on opening new cases in the CM/ECF System and paying fees using Pay.gov when filing the Summons and Complaint. As in the past, the Electronic Case Files (ECF) training will instruct participants on the Electronic Filing (E-Filing) process and procedures. A list of the class dates and times is attached. All classes will be held at the U.S. Court of International Trade, One Federal Plaza, Room 580, New York, NY.

Attorneys, who practice before the Court, and their support staff who attended ECF training are encouraged to register for one of the Case Opening classes. Those who have not attended any training are encouraged to register for both the Case Opening and the ECF training classes. Please note that completion of the Electronic Case Files (ECF) training activates an attorney's e-filing rights, whereas completion of Case Opening training only will not activate e-filing rights for those attorneys who presently do not have such rights.

If you are interested in attending any of the training classes, please complete the form *Case Opening/Electronic Case Files (ECF) Training Class Registration Request* and either e-mail the request form to cmecf_training@cit.uscourts.gov or fax it to (212) 264-0441 to the attention of Eileen Caufield. You will receive confirmation of your attendance after your registration is accepted for one of the classes. As the number of computers in each class is limited, we must ensure that we do not over book the classes. Also, for security reasons, the Clerk's Office must provide the Court Security Officers with an advance list of the participants attending each class. Therefore, please do not attend a class unless you have received notification from the Clerk's Office confirming your registration for the class.

The Case Opening training course has been approved in accordance with the requirements of the New York State Continuing Legal Education Board for a maximum of 1.0 credit hours, and the Electronic Case Files (ECF) Training has been approved for a maximum of 2.0 credit hours, both of which can be applied toward the Law Practice Management requirement.

Please Note:

Although an attorney's attendance at one of the scheduled Case Opening and ECF training classes **is not mandatory**, it is strongly encouraged. An attorney, who does not attend ECF training but who believes that he/she has achieved proficiency sufficient to allow him/her to begin to E-File as a result of using the online tutorial, practicing in the training database, and/or receiving training from a colleague who has attended a training session, may request that the Clerk's Office activate his/her E-Filing access rights. This request is to be submitted, by letter or e-mail, to the Clerk of the Court. An attorney filer, who submits a request to the Clerk of Court for activation rights, will be asked to complete a practice filing before the Court will consider activating E-filing rights.
